REPORT TO THE SHAREHOLDERS

The Board of Directors is pleased to report the first quarter results ending June 30, 2011 for Lasco Distributors Limited. Revenue for the company grew to **\$1,706.5B**, an increase of **9.9%** over the corresponding period last year and net profit before taxation was **\$130.4M** up from **\$58.5M**, an increase of **123.1%** over the same period in 2010. Total expense to sales ratio registered **14.5%** versus **14.3%** in the same period 2010.

Inventory value as at June 30, 2011 was **\$874.5M** compared to **\$495.2M** on June 30, 2010 this difference was primarily due to the timing of the supply chain for that period last year. Trade and other receivables were reduced by **\$379.3M** due to the more efficient collections. For Trade and other payables this was reduced by **\$203.5M** compared with the corresponding period due to faster payment to our suppliers.

The management team and staff continue to strive to ensure that the overall organisational objectives are met. In the midst of increased competitive activity and current economic environment the management team and staff remains focused on increasing efficiencies, product innovation and service delivery. With this resolve and strategic direction we are moving to increase our market presence.

The company continues to play its role in corporate social responsibility. On March 29, 2011 in collaboration with the Jamaica Constabulary Force (JCF) we had another successful annual Police of the Year function (POY) which recognises the hard work and dedication of the members of the JCF. At the function it was a proud moment as Sgt. Marcus Bennett POY 2010-2011 passed the baton to Constable Neil Anthony Brown Lasco Police of the Year 2011-2012.

In April 2011 Lasco Distributors Limited partnered with the Jamaica Dental Association (JDA) in the book launching of

Dentistry in Jamaica 1905-2009 authored by Dr. James Monteith a member and past president of the JDA. The book marks a milestone in the research and documentation of dentistry in Jamaica and it would have beneficial information to health care providers, administrators, educators, students and general readers. Lasco Distributors Limited, as an organisation, we are proud to have been a part of this.

We wish to thank our consumers, customers, employees, shareholders, suppliers and other stakeholders for their continued support.
