Definitions of capitalized terms used in this Agreement can be found at the end of this Agreement.

NOTICE: THIS AGREEMENT REQUIRES ALL DISPUTES TO BE RESOLVED BY WAY OF BINDING ARBITRATION. THE TERMS OF THE ARBITRATION CLAUSE APPEAR AT THE END OF THIS AGREEMENT.

About Your Card Account

Your card is a prepaid debit Visa card, which means that the card is limited in use to the funds prepaid and loaded on your card. You must add funds or "load" your card in order to use it. There is no credit line associated with your Card, and no interest will be paid on the funds loaded to your Card and the card is not related to or in any way connected in any way with any bank account or other deposit held by LASCO Financial Services Limited. Your Card is issued by LASCO Financial Services Limited and serviced by LASCO Financial Services Limited. The initial balance on your Card is equal to the amount you loaded on your card when you purchased it at the retailer or signed up on our mobile app. Each time you use your card, the Transaction Amount plus applicable fees will be deducted from the remaining balance on your card. You cannot sell or transfer your Card to anyone else. You are responsible for all transactions made using your card.

Fees

Fees That May Be Charged to Your Card. We will charge you fees outlined in the Schedule of Rates and Charges, as may be amended from time to time. All fees and charges will be debited automatically to the Card at the time the fee or charge is incurred. The Schedule of Rates and Charges is available [on our website and through our mobile app] We may change these fees or introduce new fees from time to time. If we do so, we will give you notice in accordance with this Agreement and you shall have the right to terminate the use of the Card within 30 days of such change.

When and How Monthly Charges are Assessed. Your monthly billing cycle lasts for 30 days and begins on the first day of the month immediately following the month in which you activate the Card.. We will assess a Monthly Charge for the life of the card, including if there is no money on your Card. If you have no money on your Card or a balance less than the amount of the Monthly Charge, your Card balance will be taken negative when we assess the Monthly Charge. While you have a negative balance on your Card, your Card is still open and available for use after you reload it. However, we may deactivate your card if the card balance is in negative of at least \$1,000.00 or the card has not been used for at least twelve (12) consecutive months. You may check your Card balance, review your transaction history, obtain customer service, dispute transactions, and reload your Card until your Card expires.

Getting Started with Your Card

Personal Information You Will Need to Provide. To help the government fight the funding of terrorism and money-laundering activities, Anti Money laundering Legislation and Regulations require all financial institutions to obtain, verify, record and keep up-to-date information that identifies each person who registers a Card. When you register your Card, we will ask for your name, address, date of birth, TRN, phone number, source of funds and such other information that will allow us to identify you and as required by applicable law from time to time. We will also require the same information for second cardholders.

Using Your Card

Using Your Virtual Card. You may use the Virtual Card wherever Visa debit cards are accepted. You may not use your Virtual Card: (i) for any purchase at a merchant that requires a physical card (ii) at ATMs or (iii) for any other type of transaction that requires a PIN

Using Your Card. You may use your Card to purchase goods and services anywhere Visa debit cards are accepted and to access cash at ATMs and throughout our Agent Network. We reserve the right to limit or block the use of the Card in foreign countries due to fraud or security concerns or to comply with applicable law.

Charges to Your Card and Receipts; Second Card. Each time you use your Card to purchase goods or services, you authorize us to charge the amount against the money on your Card. You should get a receipt at the time you make a transaction or obtain cash using your Card, and you can get a receipt at the time you make any withdrawal from your Card at ATMs. You may request additional Cards for another person(s), although a fee may apply for the additional Card(s). You are responsible for any and all charges and fees incurred by the second cardholder. If you want to cancel the second cardholder's access to your Card, we will have to cancel your Card and issue you a new Card with a different number.

How to Get Card Balance & Transaction History. You may obtain information about the amount of money you have remaining on your Card along with a history of account transactions, from the mobile app, by calling (876) 9067473 or the number on the back of your Card. You may also check your account balance at an ATM. You will not automatically receive paper statements.

Questions. If you have questions about your Card, you may view frequently asked questions on our mobile app or our website or call Customer Care at the number on the back of your Card.

How to Reload Your Card

Cash Loads. You can add ("reload") more money to your Card, once we have successfully verified your personal information, at any of the Authorized Retailers listed on our website or by calling into our Customer Care Center via the number at the back of your card. We may also offer other methods to reload your Card, such as online services. The terms and limits applicable to the use of these services will be disclosed at the time you conduct transactions. The maximum daily cash reload limit is JMD\$300,000.00. The maximum

amount of value that can reside on the Card at any time is JMD\$300,000.00. We may, in our sole discretion, let you keep more money on your Card or have a higher daily reload limit if you have funds directly deposited to your Card by your employer or other payor. We may increase or decrease these limits from time to time in our sole discretion with or without notice to you. We reserve the right to accept or reject any request to reload your Card at our sole discretion. Only you may reload your Card, unless we have a separate arrangement with your employer or another payor to facilitate the loading of funds onto your card. No second cardholder, or any other person, with the exception of members on a family card may reload your Card, and we may reject any attempt by any other person to reload your Card.

Direct Deposits. You may arrange to have funds transferred directly to your Card through our remittance services by enrolling to our Skip Di Line Service (see our website for details).

Limits on the Use of Your Account

Your Obligation for Negative Balances. You must keep enough money on your Card to pay for each transaction. If a merchant attempts to process a transaction for more than the value available on the Card, the transaction will be declined. If you have a negative balance on your Card which is as a result of charging of the recurring fees, we may deduct that negative balance amount from any current or future funds on this or any other Card you register or maintain.

Limits on the Use of Your Card. You are not authorized to make purchases that in the aggregate exceed JMD\$300,000.00 for a calendar day. We reserve the right, in our sole discretion, to limit the amount, number or type of transactions you can make on your Card and any funding or reload of your Card. You may only withdraw up to JMD 50,000.00 cash from ATMs in a single day. We may, in our sole discretion, further limit your use of the Card at ATMs, and, in addition to our limits, an ATM owner or operator may impose additional withdrawal limits. We may refuse to process any transaction that we believe may violate the law or the terms of this Agreement. You agree that you will: (i) not use the Card at unlawful domestic or international gambling web sites, or at payment processors supporting unlawful gambling web sites, or to purchase illegal goods or services; (ii) promptly notify us of any loss or theft of the Card; (iii) promptly notify us of the loss, theft, or unauthorized disclosure of any PIN used to access Card funds; and (iv) use the Card only as instructed. We may refuse to issue a Card, revoke or suspend your Card privileges or cancel your Card with or without cause or notice, other than as required by applicable law. You agree not to use or allow others to use an expired, revoked, cancelled, suspended or otherwise invalid Card.

Money On Your Card May Be Held Until a Transaction is Completed. When you use your Card to pay for goods or services, certain merchants may ask us to authorize the transaction in advance and may estimate the final purchase amount. When you use your Card at an ATM or for a teller cash withdrawal transaction from our Agent Network, we generally authorize the transaction in advance (including all applicable fees). When we authorize the transaction, we commit to make the requested funds available when the transaction finally settles and will place a hold on your Card's funds for the amount indicated by the merchant, and this transaction will show as "pre-authorized" in your transaction history. Transactions at certain merchants that authorize high dollar amounts, especially rental car companies and hotels, may cause an "authorization" or a "hold" on your available balance for up to 90 days. Until the transaction finally settles, you will not be able to use the money on your Card that is "on hold." We will only charge your Card for the correct amount of the final transaction, however, we will release any remaining amount when the transaction finally settles.

Recurring Transactions. "Recurring transactions" are transactions that you schedule to be automatically charged to your Card on a repeated basis. If you intend to use the Card for recurring transactions, you should keep enough money on your Card to cover these transactions. We are not responsible if a recurring transaction is declined because you have not maintained a sufficient balance on your Card to cover the transaction.

Card Expiration and Closing Your Account

Card Expiration. Subject to applicable law, you may use or reload your Card only up to the expiration date printed on the front of your card. If your Card has a zero or negative balance on expiration, we may, at our option, cancel your Card without notice, you will be liable for settlement of any negative balance owing on the card on expiration. If there is a balance remaining on the Card upon expiration and your Card is in good standing, we will send you a replacement card and the remaining balance will be transferred to the new replacement Card less any applicable fees. If there is no remaining balance on your card on expiration, we may in our sole discretion send you a new replacement Card. If we do not choose to issue you a new Card or if we cancel your Card privileges for any reason, we will notify you of a refund and you may contact us to arrange for the payment.

How to Close Your Card. You may close your Card at any time by calling the number on the back of your Card. If there is money on your Card when you cancel your Card, we will notify you of a refund, unless there is a legal or regulatory requirement prohibiting such refund, and you may contact us to arrange for the payment.

Other Rights & Obligations Regarding Errors, Unauthorized Transfers, Failure to Make Transfers and Preauthorized Payments

In Case of Errors or Questions About Your Card. Call us at (876)906-7473 or the number on the back of your Card as soon as you can, if you think an error has occurred in your Card account. A Transaction Dispute may be lodged by calling the number on the back of your card or completing the dispute form from our mobile application and submitting via email to disputes@lascogold.com. You must report an error within 60 days of the earlier of the date you electronically accessed your account, provided the error could be viewed in the electronic history. You may request a written history of your transactions at any time by calling (876) 906-7473. When notifying us, you will need to tell us: (i) your name and Card number; (ii) why you believe there is an error, and the dollar amount involved; and (iii) approximately when the error took place. If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days via email to (Disputes@lascogold.com) or in person to our office at 38 ½ Red Hills Road, Kingston 10.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we may provide a credit to your Card within 10 business days for the amount you think is in error, so that you will have the use of the value during the time it takes us to complete the investigation. This type of credit is referred to as a “provisional” credit. If we determine there was no error, we will reverse this credit. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we will not provisionally credit the Card.

For errors involving point-of-sale or foreign initiated transactions, we may take up to 90 days to investigate your complaint or question. We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation and will reverse any provisional credit provided. If you need more information about our error resolution procedures, call us at (876) 906-7473 or the number on the back of your Card.

Your Liability for Unauthorized Transfers. Tell us AT ONCE if you believe your Card or PIN has been lost or stolen. Reporting your Card lost or stolen through the mobile app or calling us at (876) 906-7473 is the best way of keeping your possible losses down. You agree that any unauthorized use does not include use by a person to whom you have given authority to use the Card or PIN, including circumstances where authorization was given to such person in the past, and that you will be liable for all such uses by such person at any time whatsoever. For example, if you have given your Card or Card information to another person to use, such as a friend or relative, you are responsible for that person’s transactions with your Card at any time, and if you have given your Card information to a merchant for a transaction, you have given authority to that merchant to debit the Card for that transaction.

You agree to cooperate reasonably with us in our attempts to recover funds from, and to assist in the prosecution of, any unauthorized users of your Card.

Our Liability for Failing to Make Transfers. If we do not complete a transaction to or from the Card on time or in the correct amount according to our Agreement with you, we may be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- (a) if, through no fault of ours, your Card funds are insufficient for the transaction or are unavailable for withdrawal (for example, because they have not been finally collected or are subject to legal process);
- (b) if the ATM where you are making the transfer does not have enough cash;
- (c) if a computer system, ATM, or POS terminal was not working properly;
- (d) if a merchant refuses to honor the Card;
- (e) if circumstances beyond our control (such as fire, flood, terrorist attack or national emergency) prevent the transaction, despite reasonable precautions that we have taken;
- (f) if you attempt to use a Card that has not been properly registered or activated;
- (g) if the Card has been reported as lost or stolen or has been suspended by us, if we have limited or revoked your Card privileges or if we have reason to believe the transaction is not authorized by you; or
- (h) as otherwise provided in this Agreement.

A supplementary card will have its own name on the card and its separate balance. You as a Primary Cardholder, will transfer funds to Supplementary Cardholder for them to spend and the transactions on the Supplementary Card will debit the Supplementary Card balance only. The Supplementary Cardholder cannot view the Primary Cardholder balance and/or transactions but the Primary Cardholder can view the Supplementary Cardholder transactions and balances.

If you do not keep your e-mail or mailing address updated in our records, we shall have no liability if correspondence is sent to the outdated postal or email address on our records with the result that we may send a replacement Card or important Card information to the wrong person, and transactions on your Card may be declined.

Change in Terms. Subject to the limitations of applicable law, we may at any time add to, delete or change the terms of this Agreement by sending you a notice (unless otherwise stated in this Agreement that no notice shall be required). We may not give you advance notice if we need to make the change immediately in order to comply with applicable law or to maintain or restore the security of the Card or any related payment system. If any such change becomes permanent and disclosure to you of the change would not jeopardize the security of the Card or any related payment system, we will provide notice to you within 30 days from the making of the change or as otherwise permitted or required by law. See the section titled "Notices" for information on where we will send any such notices. You may refuse the change by terminating this Agreement or closing your Card

***Acknowledgment of Arbitration.* Your Card is being made available to you by LASCO Financial Services Limited on the basis of your acceptance of the following arbitration clause, in addition to the foregoing terms and conditions. By accepting your Card, you acknowledge that you are giving up the right to litigate Claims, except as otherwise expressly provided herein, and you hereby knowingly and voluntarily waive the right to trial of all Claims subject to this Agreement. You further acknowledge that you have read this arbitration provision carefully, agree to its terms, and are entering into this Agreement voluntarily and not in reliance on any promises or representations whatsoever except those contained in this Agreement.**

ARBITRATION NOTICE

THIS AGREEMENT CONTAINS AN ARBITRATION CLAUSE. PLEASE READ THIS PROVISION CAREFULLY, AS IT AFFECTS YOUR LEGAL RIGHTS. IT PROVIDES THAT ANY CLAIM RELATING TO YOUR ACCOUNT MAY BE RESOLVED BY BINDING ARBITRATION. YOU ARE ENTITLED TO A FAIR HEARING, BUT THE ARBITRATION PROCEDURES ARE SIMPLER AND MORE LIMITED THAN RULES APPLICABLE IN COURT, AND ARBITRATION DECISIONS ARE SUBJECT TO VERY LIMITED REVIEW.

CLAIMS MAY BE ARBITRATED ONLY ON AN INDIVIDUAL BASIS. YOU EXPRESSLY WAIVE ANY RIGHT THAT YOU MAY HAVE TO ARBITRATE A CLASS ACTION. IF EITHER PARTY CHOOSES TO ARBITRATE A CLAIM, NEITHER PARTY WILL HAVE THE RIGHT TO LITIGATE THAT CLAIM IN COURT OR TO HAVE A JURY TRIAL ON THAT CLAIM, OR TO PARTICIPATE IN A CLASS ACTION OR REPRESENTATIVE ACTION WITH RESPECT TO SUCH CLAIM.

Arbitration of Claims. Except as expressly provided herein, any claim, dispute or controversy (whether based upon contract; tort, intentional or otherwise; constitution; statute; common law; or equity and whether pre-existing, present or future), including initial claims, counter-claims, cross-claims and third-party claims, arising from or relating to (i) the Card; (ii) any service relating to the Card; (iii) the marketing of the Card; (iv) this Agreement, including the validity, enforceability, interpretation, scope, or application of the

Agreement and this arbitration provision (except for the prohibition on class or other non-individual claims, which shall be for a court to decide); and (v) any other agreement or instrument relating to the Card or any such service (“**Claim**”) shall be decided, upon the election of you or LASCO Financial Services Limited, its agents, employees, successors, representatives, affiliated companies, or assigns), by binding arbitration pursuant to this arbitration provision and the applicable rules and procedures of the arbitration administrator in effect at the time the Claim is filed. Such arbitration shall be conducted by the Dispute Resolution Foundation, or any other mediation referral body provided for by rules of the Supreme Court of Jamaica, in accordance with, to the extent that same is not in conflict with the provisions of Agreement, rules, regulations and/or Practice Directions of the Supreme Court of Jamaica in relation to mediation, subject to any replacement or amendment thereof.

Other Claims Subject to Arbitration. In addition to Claims brought by either you or LASCO Financial Services Limited, or by or against anyone connected with you or the Bank or claiming through you or LASCO Financial Services Limited (including a second cardholder, employee, agent, representative, affiliated company, predecessor or successor, heir, assignee, or trustee in bankruptcy) shall be subject to arbitration as described herein.

Exceptions. You and we agree not to invoke our right to arbitrate any individual Claim you bring in small claims court or an equivalent court so long as the Claim is pending only in that court. This arbitration provision also does not limit or constrain LASCO Financial Services Limited’s right to interplead funds in the event of claims to Card funds by several parties.

Individual Claims Only. It is the intent of the parties to require Claims to be submitted to arbitration on an individual basis only. **Claims subject to this arbitration provision may not be joined or consolidated in arbitration with any Claim of any other person or be arbitrated on a class basis, in a representative capacity on behalf of the general public or on behalf of any other person, unless otherwise agreed to by the parties in writing.** However, co-applicants, second cardholders and authorized users of a single Card and/or related cards are considered as one person, and the Bank, its officers, directors, employees, agents, and affiliates are considered as one person.

Arbitration Fees. If you initiate arbitration, LASCO Financial Services Limited will advance any arbitration fees, including any required deposit. If LASCO Financial Services Limited initiates or elects arbitration, LASCO Financial Services Limited will pay the entire amount of the arbitration fees, including any required deposit. Notwithstanding any provision of this arbitration provision or the rules and procedures of the arbitration administrator, LASCO Financial Services Limited will be responsible for payment and/or reimbursement of any arbitration fees to the extent that such fees exceed the amount of the filing fees you would have incurred if your Claim had been brought in a court with jurisdiction over the Claims.

Procedure. A single arbitrator will resolve the Claims. The arbitrator will be a lawyer with at least ten years’ experience or who is a former or retired judge. The arbitration shall follow the rules and procedures of the Arbitration Act in effect on the date the arbitration is filed. Any in-person arbitration hearing for a Claim shall take place at such reasonably convenient location to be agreed by the parties. The arbitrator shall apply applicable substantive law consistent with the laws of Jamaica and shall honor all claims of privilege and confidentiality recognized at law. All statutes of limitations that would otherwise be applicable shall apply to any arbitration proceeding. The arbitrator shall be empowered to grant whatever relief would be available in court under law or in equity. At the request of any party, the arbitrator will provide a written explanation of the basis for the disposition of each claim, including written findings of fact and conclusions of law.
